HEAVYSHAMPOO

A HEAVY-DUTY ALKALINE CLEANER & DEGREASER

INDICATIONS:

A high-performance alkaline detergent engineered to break through organic build-up, fat layers, protein residues, manure deposits, and general heavy soiling.

Ideal for farms, veterinary buildings, poultry houses, slaughter floors, industrial food environments, and transport equipment.

Designed for pressure washers, foam systems, and manual application.

KEY BENEFITS:

-Deep penetration into compacted organic residues Powerful action on fat, grease, proteins, and dried debris

-Stable performance in all water hardness levels

-Compatible with hot or cold water Produces rich, stable foam for vertical surfaces

Rinses cleanly with no heavy residue

-Ideal for large-area deep cleaning.

CONTACT TIME:

Minimum 15 minutes for full penetration, Do not allow to dry on the surface

COMPOSITION :

Each 1 L contains:

- Alkaline cleaning agents
- Surfactants (non-ionic & anionic)
- Chelating / sequestering agents -
- Glycol-based solvent system
- Water

DOSAGE AND ADMINISTRATION:

Light Soiling Dilution: 1:500

Application: spray or pressure washer

Heavy Soiling / Manure / Fat Deposits

Dilution: 1:250 Ideal for barns, slaughter floors, walls, drains Foam Cleaning (Vertical Surfaces / Wide Areas)

Dilution: 1:50 - 1:150

Use with foam lance or foam generator

RINSING : Rinse thoroughly with high-pressure water, Hot water (where allowed) improves efficiency

SAFETY & HANDLING : Wear gloves, goggles, boots, and protective clothing, Avoid skin and eye contact, Do not mix with other chemicals Use in well-ventilated areas

FIRST AID : Skin: Rinse immediately with water

Eyes: Flush with clean water for several minutes

Inhalation: Move to fresh air

Ingestion: Rinse mouth; do not induce vomiting; seek medical attention.

USED FOR

Animals
